

Mary Kay Hays, Preschool Director

I've been working at Grace for 19 years. I am a wife and mother of 4 boys. Raising my family has given me valuable experience and compassion in working with children.

Everyday brings new challenges and experiences. Each child is unique and deserves our undivided attention. I strive to bring out the best in each student.

I love working with children and look forward to each and every smile, everyday. We are the first ones to begin molding the academic foundation for each student and I take that very seriously.

Grace Lutheran Preschool

3 & 4/5 year old programs
